

3 October 2024

Firering Strategic Minerals plc
("Firering" or "the Company")

New Corporate Presentation

Firering Strategic Minerals plc, an emerging quicklime production and critical mineral exploration company, is pleased to announce that a new Corporate Presentation has been published on the Company's website. The new presentation provides further details on its quicklime project in Zambia, which is on track to start phased production in Q4 2024 and ramp up to full capacity by mid-2025 to become one of the largest quicklime producers in the region. No material new financial or other information has been provided.

Firering will provide a deliver this new presentation live to investors via Investor Meet Company at 12.00pm BST today, Thursday 3 October. This is open to all existing and potential shareholders; to sign up visit: <https://www.investormeetcompany.com/firering-strategic-minerals-plc/register-investor>.

Investors can view the new presentation via the following link:
